

Dressage League....Week One Report

Week one of the 2011 Foxborough dressage league began on Sunday 13th February. The weather threatened to put a downer on the day but thankfully it held off and we had a great day. 58 riders took part throughout the different classes and there was a great atmosphere around Marlton for the day with many spectators showing their support and eager to lend a hand.

Well done to all 23 Foxborough members who took place in week one of what is indeed going to be a very exciting league.

Many thanks to our judges and all who helped out in organising the day and on the day itself, you all know who you are! Looking forward to seeing everyone again next week at Marlton.
